### ABOUT ME

Hi there, I'm Boran. I'm a passionate second-year Business IT student at Haute école de gestion de Genève, where I've gained a diverse set of skills. Through my academic journey, I've honed my abilities in Python, Java, UML and Git. I'm eager to apply my knowledge and contribute to innovative projects that merge the worlds of business and technology.

### EXPERIENCE

#### INVENTORY CLERK - DENNER

Geneva | Apr 2022 - Current

- Perform a tally of the items present on the shelves.
- Input the respective quantities into the system.
